Creative learning in
collaboration with The
Goodwin Gallery,
Barnstaple

Join Beaford Arts on 11th May at The Goodwin Gallery, Barnstaple, to create sculptures from paper that each young person will make and then take home.

With imagination we'll draw from the perspective of a bird soaring high, and a fish-eye view as we imagine swimming down low!

This will be an immersive, sensory and exciting creative experience leading to an installation of sculptural birds and fish in the gallery. We'll then dance and move 'fluttering as they go' around our sculptures to make them come to life.

As a result of coming on this course you will:

- Experience a strong sense of achievement
- Develop your confidence and learn new skills
- Explore wax resist with drawing and painting
- Experiment with 2D and 3D design using origami techniques
- Work with a professional international origami artist in a gallery environment

Get involved in this unforgettable experience with a group booking: £2 p/child up to a class size of approx. 30, suitable for age 7+
Sessions are 10:00-12:00 or 12:30-14:30.

Please contact caroline@beaford-arts.org.uk to book

If you are a home school/family learning group with a varied age range, the outcomes will be differentiated to suit and you will work together.
